

# THE Hiding Place

## Come to Church and Give Your Money

( satire )

Come to church and give your money, don't be tight  
Dig a little deeper in your purse tonight  
Oh, oh, you can write a draft  
Sign it with your autograph

Your gift is deductible from income tax  
And you'll keep the budget running in the black  
Oh, oh, don't make a slip  
In your stewardship

Come to church and give your money, give a lot.  
You should give at least a tenth of all you got.  
Oh, oh, you should give your dough  
To support the church and so...

We are working on a plan that won't be hard.  
You can put your offering on your credit card.  
It will be easy for you.  
And your first payment won't be due... Until December  
Our budget plan is for you
